

SCIENTIFIC PROOF of the BENEFITS of PYRAMID ENERGY while wearing a Pyramid Pendant is always astounding to watch on Brain scans.

- * **1st diagnostic** - is seeing proof of peak neuron communication - the top blue row shows not all neurons communicating with each other, and very weakly c.f. to the bottom red row - where all neurons seem to be communicating, and at peak performance, indicated by the red colour which is 2 standard deviations above normal. Having this Peak connectivity means that the Hypothalamus Master Gland can receive all messages from the Central Nervous System - telling it what needs fixing. Then the HMG sends chemical instructions to other Master glands and organs to produce any special cells such as Hormones and Immune cells - to fix the problem.
- * **2nd and 3rd diagnostic** show that brainwaves in all the frequency range are at maximum amplitude - at peak condition for Hormone production - normally only possible in deep sleep.
- * This dramatic increase in connectivity explains **WHY** the Hypothalamus is being Rejuvenated - if it is getting communication in, about what needs fixing - and better communication out, about how to fix an issue - then of course the Hypothalamus shows it is functioning better.
- * **Diagnostic 4 & 5** are 3D brain scans, also showing blue below par communication, and red Peak Connectivity in Limbic and Master Gland area of the brain.
- * The reason **WHY** the Hypothalamus is able to show such Rejuvenation is because **PYRAMID ENERGY** we absorb from a Pyramid Pendant - Neutralises **TOXINS** in the Hypothalamus area, without harming healthy cells.
- * We can not compare **PYRAMID ENERGY** to any man made treatment, because it doesn't target symptom or disease - so it can never be a treatment for any medical condition.
- * But rather, **PYRAMID ENERGY** enhances Hypothalamus function - thereby able to **PREVENT** disease developing in the first place, or continuing further.
- * As well as Neutralising **TOXINS** - which is the only way the Hypothalamus can be fully restored, **PYRAMID ENERGY** - at the same time - also Rejuvenates cells - something only Nature can do.
- * I have had an indoor pot plant for about 3 years, and never been given any fertiliser, just tap water. I place a crystal pyramid in a glass of water, and give this to the plant each day. The 'pyramidised' water has absorbed **PYRAMID ENERGY** - and both **PREVENTS** any **TOXINS** harming the plant, As well as **REJUVENATING THE PLANT WITH PYRAMID ENERGY**.
- * This is a classical example of the **REJUVENATING PROPERTY** of **PYRAMID ENERGY**.
- * The **SCIENTIFIC PROOF** part, is that anyone with similar medical diagnostic equipment, such as a university, hospital, or health clinic - can duplicate these results with a pendant.
- * To both show that **PYRAMID ENERGY** is real, and how Revolutionary it is to improving our health.
- * The best personal proof is to feel that you never catch a cold or flu, or have any ongoing pain again, and see your skin tighten in one day.
