

# If you haven't got **TIGHT SKIN** today

## - you can by tomorrow!

- This is the quickest way you can see **visible proof** that **PYRAMID ENERGY** is **REAL** and how powerful it is.
- Just to make sure you are getting enough **REAL NUTRIENTS** - include a few table spoons of **SUPERFOOD**, and start wearing the Pendant.
- When you wake up next morning - you **WILL** see smooth **TIGHT SKIN**.
- It will **STAY TIGHT** and healthy - for as long as you keep wearing a **Pendant** and are eating enough **REAL NUTRIENTS**.
- My hand, in the photo above, is when I had turned 74, I am soon 75 and my **SKIN** is still as **TIGHT** as ever, and will stay so forever.
- This is possible because the **PYRAMID ENERGY** absorbed from the **Pendant** **Rejuvenates the HORMONES** that extract **NUTRIENTS** from the food we eat - and send them to our largest organ - our **SKIN**.
- Our **top layer of SKIN** never gets old, because it gets replaced by the growing layer underneath - **every 2 weeks**. If you have **wrinkles**, it is not because of age or sunlight - but because your **SKIN** is **undernourished**.
- **Deep** Wrinkles on face and neck are also not caused by age or sunlight - but by excess **TOXINS** stored in Fat cells - so can not vanish overnight, as **surface SKIN**.
- But mine e.g. I can already feel starting to tighten, and a few people I haven't seen for a while - have already commented on the visible improvement - so am Looking forward to a special improvement day.
