

- * **GERONTOLOGISTS** are sure they know the Secret to the eternal fountain of Youth - extending our **LIFESPAN**.
- * **REJUVENATING** and **RESTORING** Master Gland Function, especially the **HYPOTHALAMUS** is correct.
- * So far, they have had limited success, with Master Gland Synthetic stimulating supplements.
- * Why are they not using **NATURE'S PYRAMID ENERGY?**
- * I guess because you can't patent it and sell it in pill form.
(I use 'pyramided' water for my pot plants, which have never had any fertiliser), and is easy to make - so I suppose you could sell Pyramid water capsules or bottles of Pyramided water.
- * Brain Scans while wearing a **PYRAMID PENDANT** - clearly show **REJUVENATION** of **HYPOTHALAMUS** Master Gland.
- * If **HYPOTHALAMUS** gets functional - then **LONGEVITY** follows.
