

**LONGEVITY- increasing your LIFESPAN needs 2 things**

- 1. Including enough REAL NUTRIENTS in your Diet.**
- 2. PREVENTING your HYPOTHALAMUS Master Gland getting disturbed by TOXINS.**

**To accelerate or TURBOCHARGE this happening - so that you know that you are indeed in full swing of ongoing Health - use a PYRAMID LASER.**

- \* **REAL NUTRIENTS** are fresh green vegetables - **SUPERFOOD** is best, because you just need to add some to your meals, and it really doesn't matter then what else you eat, because all food we buy contain Synthetic Chemicals.
- \* Every one of our trillions of cells needs **REAL NUTRIENTS** - and much of the food we eat these days are filler food - very low in **REAL NUTRIENTS**.
- \* We can't stay healthy if we don't get enough **REAL NUTRIENTS**. Doctors are already predicting that in the next generation - that the main cause of ill health will be lack of green vegetables.
- \* Behind the top of the nose, in the middle of the brain is an almond size organ called the **HYPOTHALAMUS** - that initiates the production of special cells such as Hormones and Immune cells - so it essentially controls our Health.
- \* While wearing a Pyramid Pendant keeps Rejuvenating the **HYPOTHALAMUS**, remembering that **TOXINS** will keep getting to the Brain - intensely directing **PYRAMID ENERGY** to the **HYPOTHALAMUS** with a **PYRAMID LASER** - will ensure you are keeping on top of it.
- \* You only need to do this for a few minutes a couple of times a day.
- \* I am nearly 75 - and am planning **MY NEXT 50 YEARS** of life!
