

* We all get GASTROENTERITIS a few times over our lifetime.

* TOXINS cause Infection & Inflammation.

* Because of the Diarrhoea we need to drink plenty of Water to replace the lost Fluids.

* 4 strategies can quickly help Relieve discomfort:

1. Rub on a few drops of GINGER essential oil over the Stomach to settle it.

2. Rub on THYME essential oil to knock out TOXINS.

3. Hold a PYRAMID against the top of the nose - one from a Pendant helps.

4. If you have a PYRAMID LASER - rub it around the area of pain, and it will Relieve ALL Discomfort within a couple of minutes.
